62-2380

62-2391

Transform your bathroom into a haven of contemporary sophistication with the Larissa Collection, a stunning LED bath vanity bar that combines artistry and function. Sleek, slim, and unapologetically modern, Larissa redefines the standard for luxury lighting. The fluted opaque glass lens softens and diffuses light, creating a flattering reflection at every turn. Industrial-inspired knurled end caps add a touch of edgy refinement, making it a perfect blend of utility and design. Available in matte black for a bold statement, brushed nickel for timeless elegance, and vintage brass for a hint of classic warmth, adapting to your unique style while elevating your space. Discover lighting that doesn't just brighten—it transforms. Choose the Larissa Collection and let your bathroom radiate contemporary charm.
